Message from the Director
院長序言

William K. M. Lee 李經文
Director 院長

The Quality Assurance Council (QAC) under the University Grants Committee (UGC) published its report on the quality audit of the University of Hong Kong (HKU) in the third audit cycle in September which included HKU SPACE. This exercise highlighted HKU SPACE's unwavering commitment to excellence in teaching and learning (T&L), and the School was pleased to have received numerous positive commendations and affirmations of its efforts. The Report commended the School's robust and systematic processes for programme development, approval, monitoring and review. The Report also recognised the School's increasing use of data in its quality assessment, led by the Quality Analytics Team (QAT). The Audit Panel recognised that there are effective systems in place for managing academic standards and quality. The link to the Report: https://www.ugc.edu.hk/doc/eng/qac/report/hku202409e.pdf

To actively align with the country's development, HKU SPACE successfully organised the Inaugural GBA Education Conference on 20 June 2024. Nearly 300 educators, experts, practitioners, and members of the public from the Guangdong-Hong Kong-Macao Greater Bay Area attended the Conference. Furthermore, a visit was conducted from 20 to 22 June to explore the latest trends, best practices, and the growing need for higher education in the rapidly evolving Greater Bay Area. The tour included visits to prominent enterprises such as Tencent, Huawei European Town, etc.

In view of the increasing links in the GBA to bring students to Hong Kong, the Mainland Affairs Office (MAO) was established in August 2024. The MAO will also serve as a central point of contact in receiving and reviewing proposals for participation from Mainland individuals and institutions.

On 7 June 2024, HKU SPACE Community College held its first academic conference with the theme of: "Transformation and Development in Teaching and Research: Multidisciplinary and Interdisciplinary Perspectives", attracting a total of 350 participants. Many of the 36 presentations were given by staff of the Community College and its sister institution, the HKU SPACE Po Leung Kuk Stanley Ho Community College.

On international matters, HKU SPACE is delighted to announce its new strategic collaboration with King's College London (King's), one of the world's top 40 universities according to the 2024 QS World University Rankings and among the oldest in England. This momentous partnership entails a Collaboration Agreement that will facilitate academic collaboration and the joint offering of King's programmes in Hong Kong. It marks the first-ever collaboration between King's and an educational institution in Hong Kong, representing a significant milestone for HKU SPACE in transnational education. The first programme to be offered in the new partnership will be the online MSc in Nursing.

The School has also become an International Associate Member of the UK Quality Assurance Agency for Higher Education (QAA). These external recognitions of our efforts are much appreciated.

The School has again been recognised as a Caring Organisation by the Hong Kong Council of Social Service (HKCSS) for 15 consecutive years. Also, it received the "Recognised Organisation" award at the UNSDG Achievement Awards Hong Kong 2024 and the "Rehabilitation Partners" award from the Correctional Services Department for the first time.

The School continues to prepare for the government's reforms to the Post-Secondary Colleges Ordinance and is looking forward to prepare for this in 2025. Meanwhile HKU SPACE is now playing a greater management role in its successful and longstanding partnership with Po Leung Kuk – the HKU SPACE Po Leung Kuk Stanley Ho Community College (HPSHCC).

大學教育資助委員會(教資會)轄下的質素保證局(質保局)於2024年9月公佈香港大學第三輪質素核證報告,當中涵蓋對香港大學專業進修學院的評審。這次質素核證報告印證了學院對卓越教與學的堅定承諾。學院喜見評審小組在報告中給予學院多項嘉許及肯定。報告讚揚學院在課程發展、審批、監察和檢討方面的程序嚴謹及有系統,並認可學院在質量數據分析組的領導下於質量評估工作中增加數據的使用。評審小組確認,學院制定的學術標準和質素管理制度均行之有效。報告連結:https://www.ugc.edu.hk/doc/eng/qac/report/hku202409e.pdf。

為積極配合國家發展,學院於2024年6月20日成功舉辦首屆大灣區教育論壇,近300名來自粵港澳大灣區的教育工作者、專家、從業員及公眾人士出席。此外,學院在6月20日至22日舉辦大灣區考察團,以探討大灣區在高等教育方面的最新趨勢、最佳實踐和日益增長的需求。考察活動包括參訪騰訊、華為歐洲小鎮等知名企業。

鑒於大灣區的聯繫日益緊密,為吸引更多學生來港,我們於2024年8月成立了內地事務處。內地事務處將會作為聯絡中心,負責接收及審批來自內地個人和機構的參與建議。

香港大學附屬學院於2024年6月7日舉辦了第一屆學術會議,主題為「多學科和跨學科視角下的教學與研究的變革和發展」,共吸引350名人士出席。36場演講主要由香港大學附屬學院及香港大學專業進修學院保良局何鴻燊社區書院的教職員參與。

在國際事務方面,學院欣然宣佈與倫敦國王學院建立新的戰略合作關係。倫敦國王學院是2024年QS世界大學排名前40的大學之一,也是英國歷史最悠久的大學之一。這項重要合作協議將促進雙方的學術合作,攜手在香港提供國王學院的課程。這是國王學院與香港教育機構的首次合作,標誌着學院在跨國教育領域的重要里程碑。戰略合作協議下提供的首個課程是線上臨床護理學碩士課程。

學院亦成為了英國高等教育質素保證局的國際聯繫會員,我們非常感謝外界對學院的努力予以肯定。

學院連續15年獲香港社會服務聯會嘉許為「同心展關懷」機構,並首度獲環保促進會頒發「聯合國可持續發展目標香港成就獎2024」獲認可機構獎項,以及懲教署頒發「更生伙伴」獎項。

學院積極籌備政府對《專上學院條例》的改革工作,並期待於2025年順利完成相關準備。與此同時,學院與保良局一直攜手合辦香港大學專業進修學院保良局何鴻燊社區書院,為加強長遠的合作關係,現更在其管理上發揮更大作用,務求為學生帶來最佳的學習體驗。

History

The University of Hong Kong's Department of Extra Mural Studies (DEMS) was established in 1956/57, the first continuing education unit in a university in the region. DEMS played a significant role in the University's provision of lifelong learning opportunities for the wider community and, in 1992, it was renamed as the School of Professional and Continuing Education (HKU SPACE). The University has a recognised role in lifelong learning and, as the continuing education arm of the University, HKU SPACE fulfils this part of the University's mission by providing learning opportunities for personal, professional and career advancement for people from all walks of life.

With some 900 full-time staff members and around 2,000 part-time teachers, HKU SPACE is one of the leading local providers in continuing education. Course enrolments since 1957 have exceeded 3.3 million, with annual course enrolment of some 95,000 in 2023/24, representing a full-time equivalent student load of 20,088. The School collaborates closely with the other faculties and departments of the University to offer timely and relevant courses that meet society's needs to update education and skills for the knowledge economy. The global dimension is also important and the School has an extensive network of international universities with whom it collaborates.

Quality support for learners

A hallmark of the HKU SPACE programmes is that they are designed and managed by the full-time academic staff of the School and supported by the excellent corps of part-time teachers. The School's Quality Assurance mechanisms have been reviewed by the University as well as by external agencies and have been described as "exemplary". The School, in its Strategic Plan, has committed itself to being a quality provider in terms of its academic programmes as well as in providing quality support to students through good teaching and well-designed learning centre facilities. The information age has brought exciting new learning possibilities. The School has developed a web-based, online learning platform, SOUL 3.0, to provide students and teachers with an effective means of communicating with each other for teaching and learning purposes. SOUL mobile learning services are also provided to support students and teachers for ubiquitous learning. The School is also actively extending its range of e-courses to provide high flexibility to learners in the online learning arena. In 2023, the School introduced Microcredentials as short for credit courses which earn a digital badge and which can be stacked for a certificate as diploma award. Most of the Microcredentials are CEF eligible.

歷史悠久

於1956/57年，香港大學成立亞太地區首個致力提供終身學習機會的校外課程部，並於1992年正式易名為香港大學專業進修學院。作為香港大學的一員，學院秉承大學重視終身學習的理念，為社會各界提供有助個人、專業發展的進修機會。

擁有約900名全職員工及約2,000名兼職導師，香港大學專業進修學院在本港的持續教育界擔當領導角色。自創校以來，報讀學院課程人次已逾330萬，於2023/24年，報讀人次約95,000，相當於20,088名全日制學生。學院將繼續與香港大學的其他學系及部門緊密合作，提供最切合知識型經濟社會需要的課程。學院深明與國際接軌的重要，現有的龐大國際學府網絡，有助發展國際化課程。

優質學習支援

學院開辦的課程均由全職教員設計及管理，並由優秀的兼職教師團隊教授。學院的學術質素保證機制經過香港大學內部及校外機構評審，獲評為業界典範。學院在發展策略中亦訂下明確目標，致力為學員提供優質課程、專業教學及完善設備，以實踐學院作為具質素服務保證院校的承諾。現今資訊科技發展迅速，為學習帶來更多可能性。學院開發的網上學習平台SOUL 3.0，有助強化老師與學員間教與學的網絡互動效益；而SOUL流動應用程式令學員和教師可更靈活及有效地教與學。學院正積極開拓更多元網上課程，為在線學習的學員提供高度靈活性。於2023年，學院推出微證書課程，它是短期的學分制課程，學員可累積學分獲取證書或文憑資歷，並獲授予數碼徽章。大部份微證書課程都屬於持續進修基金資助課程。

External Quality Assurance

The University Grants Committee, via its Quality Assurance Council, carries out a comprehensive review of the University's provision on a regular basis. The most recent report (published in February 2019) commended the School's excellent governance and management policies and procedures, its comprehensive and effective QA processes, the committed, professional and enthusiastic staff as well as student satisfaction on their learning experience. The University also reviewed HKU SPACE in late 2019 and commended its supplementary and complementary role in delivering the University Mission in providing lifelong learning opportunities to the wider community. An International Quality Review in 2021 concluded that HKU SPACE met all the ten European standards for quality. This was formally recognised by the German Quality Agency, ASIIN, in July 2022.

In December 2023, the School's portfolios were part of the audit of the University by the UGC QAC. The results of this review are published on the UGC QAC website at https://www.ugc.edu.hk/big5/qac/about/term/publications/report.html

Communication and feedback from teachers and learners

HKU SPACE views effective communication with its community as one of its top priorities. Feedback from students and teachers is highly valued and plays an important role in the process of monitoring as well as improving the quality of the programmes and services offered by the School. There are various formal and informal means of communication for students and teachers to channel their feedback to the School and to assist in the quality assurance process. All cases are handled in strict confidence and dealt with sensitively.

Organisation of the School

The University manages the affairs of the School through a non-profit-making company limited by guarantee which has a Board of Directors that draws its members from the University itself and from the wider community. The School's academic programmes are monitored by the University Senate through the Board for Continuing and Professional Education and Lifelong Learning.

Internally, the School has a Collegiate organisation.

The wide range of part-time courses offered at all academic levels are organised under 23 subject groups allocated among three Colleges: of Business and Finance (CBF), Humanities and Law (CHL) and Life Sciences and Technology (CLST). These three colleges also offer full-time overseas degree courses. All three Colleges offer award bearing programmes as well as non-award bearing programmes (including Executive Certificates and Diplomas).

The Community College (CC) is responsible for two years, full-time sub-degree courses leading to awards of Associate Degree and Higher Diploma. The HKU SPACE Po Leung Kuk Stanley Ho Community College (HPSHCC) is a joint venture with a leading charitable association, Po Leung Kuk and also offers full time sub-degree courses.

Taking the School to the community

HKU SPACE has a long history of locating its teaching and learning facilities at convenient downtown centres so as to better serve the community. Its flagship location is in the Admiralty area where it has premises in the Admiralty Centre (2/F and 3/F) and United Centre (6/F). The School also uses its Community College campus at Kowloon Bay and the HPSHCC Campus at Causeway Bay for both full-time and part-time students. The campus in Kowloon West is equipped with advanced classrooms and learning facilities.

Additionally, there is the Island East Campus in North Point as well as the Fortress Tower Learning Centre. The University's Main Campus facilities are also available for evening classes. The Island South Campus in Pokfulam is a centre for Innovation and Technology. The School is expanding its Learning Centre provision to meet growing demand in Kowloon Bay and also in Sheung Shui.

Global perspective

HKU SPACE collaborates with a wide range of academic and professional institutions globally (in the UK, Australia, the USA, Mainland China) and in Hong Kong. The School will continue to explore opportunities for further cooperation with reputable institutions, both local and overseas, in order to offer a greater variety of high quality and relevant programmes to students.

Future development

HKU SPACE will strive to maintain its leading role in continuing education in Hong Kong and the region. It acts as an extension arm of the University to deliver HKU's mission and role in providing lifelong learning opportunities to the wider community.

外部質素保證

大學教育資助委員會轄下的質素保證局定期就大學的課程質素進行全面的評核。其最近發表的報告（2019年2月）高度讚揚學院不僅具備完善的管理政策及程序，且質素保證制度全面及有效，並嘉許教學人員盡心竭力、熱誠投入的專業精神，學員對學習體驗亦感到非常滿意。此外，香港大學於2019年年底亦對學院進行了全面檢討，並讚揚學院能夠有效補充香港大學為社會提供終身學習使命的角色。而於2021年進行的國際學術質素評審結果亦顯示，學院全面達到歐洲學術質素標準，並於2022年7月獲得德國認證機構ASIIN（工程、信息科學、自然科學和數學專業認證機構）的官方認證。

於2023年12月，學院作為香港大學的一分子，已接受大學教育資助委員會質素保證局質素核證，相關報告已經上載於教資會質保局的網頁（https://www.ugc.edu.hk/big5/qac/about/term/publications/report.html）。

教與學更緊密溝通

學員及導師的反饋是有效監察、確保課程質素及完善服務不可或缺的，亦是學院最珍視的一環。學院提供多條反映意見的渠道，以助學院精益求精，而所有個案均保密處理。

學院管治架構

香港大學專業進修學院為非牟利擔保有限公司，直屬於香港大學，並由大學授權學院董事局處理學院事務。學院董事局成員包括大學代表及社會人士。學院課程的制定、批核及監察，則由香港大學教務委員會透過持續專業教育及終生學習委員會負責。學院提供涵蓋23種不同學科、不同程度的兼讀制課程及全日制本地及海外學位課程，分別由金融商業學院、人文及法律學院與生命科學及科技學院主理。所有學院均有開辦學銜與非學銜頒授課程（包括行政人員證書和文憑）。香港大學附屬學院則提供兩年全日制副學位課程頒授副學士或高級文憑資歷。此外，學院與慈善機構保良局合辦的香港大學專業進修學院保良局何鴻燊社區書院亦有提供全日制副學位課程。

走進社區

學院的教學中心，位處社區樞紐地段，除金鐘海富中心二及三樓、統一中心六樓外，位於九龍灣的港大附屬學院和銅鑼灣的港大保良何鴻燊社區書院校舍，亦可供全日制和兼讀制學生使用。西九龍教學中心設有先進的課室及學習設施。

學院另於北角設有港島東分校及北角城教學中心，香港大學本部設施亦可供學院晚間課程使用。位於薄扶林的港島南教學中心為創新及科技中心。學院正在擴展其教學中心的設施，以滿足九龍灣和上水日益增長的需求。

國際協作

學院與世界各地包括英國、澳洲、美國、中國內地和本港多所學術及專業機構合作。未來學院會進一步開拓與其他本地及海內外知名學府的合作機會，以發展更多元、更切合學員需要的優質課程。

展望未來

學院將致力保持於香港以至亞太地區持續教育界的領導地位，繼續秉承大學的理念，為社會各界提供優質的終身學習機會。

Your New Choice for Lifelong Learning

What are Microcredentials?
Microcredentials are short, standalone courses that are relevant to careers and professions or indeed for general interest. They are small, credit bearing programmes which in themselves do not lead to a qualification but are often "stackable" into a larger award bearing qualification. Microcredeitnals are a world wide trend to meet 21st-century learners' needs. Successful completion leads to a 'digital badge'. Microcredentials have three main features: Stackability, Flexibility & Presonalised

Why Microcredentials?
Microcredentials are based on individual interests and personalised according to learners' own preferences. The lifelong learner community can pursue their course of choice and create their individualised educational mind map.

How to Earn Microcredentials?
The Microcredential courses are characterised as Professional Practice or as General Studies. The rule is that to qualify as Professional Practice, 75% of the stackable Microcredentials should be in that category. That is, for a Certificate in Professional Practice (30 credits), 24 or more credits have to be in that category. For a Diploma it is 45 of 60 credits.

你的終身學習新選擇

什麼是微證書？
微證書是短期、獨立的課程，學科主題與職業及專業以至一般興趣相關。它們是規模較小的學分制課程，本身不會獲頒授任何學歷資格，但「可累積」學分獲取學銜的資歷。微證書是一股全球新趨勢，能滿足廿一世紀的學員的需求。當完成微證書課程，學員將獲授予相關數碼徽章。
微證書課程具有三大特點：可累積學分、靈活性高及個人化

為什麼需要微證書？
微證書是根據個人興趣和喜好的個人化學習計劃。學員可以選修自己喜愛的課程，並創建個人的教育思維導圖。

如何獲得微證書？
微證書課程以專業實踐或普通學科為主題。專業實踐課程認證要求百分之七十五或以上的學分必須在該專業領域修讀。也就是說，專業實踐證書 (30學分) 中的24或更多學分必須屬於該專業學科；專業實踐文憑 (60學分) 要求必須於該專業學科當中修讀的45或以上學分。

Equal Opportunity
平等機會

When seeking assistance, a student is recommended to provide sufficient information including, but not limited to:

(a) Details and date of the incident;
(b) Personal information (e.g. name, contact information, marital status, family status, disability (where applicable), etc.);
(c) Name of the respondent(s) (or name of the organisation) and contact;
(d) Reasons or evidence supported the claim of discrimination/harassment;
(e) Information of witness, if any.

The more information that is provided, the easier it will be to investigate a case. However a student may still approach the School about any incidents of discrimination/harassment even if he/she is unable to provide all of the above information.

The School appreciates the sensitive nature of discrimination/harassment and will ensure that details of the incident will only be disclosed to other persons on a need-to-know basis.

The School's Disciplinary and Appeals Committee will deal with cases that arise in relation to issues/cases described in this Section.

Students with Disability

It is School policy to offer equal opportunities to all applicants with or without disabilities. Students are invited to indicate if they require any special assistance upon the application to a programme. If a student needs such assistance, the School will approach the student subsequently to obtain further details so as to facilitate how best the School can help. When enrolled in a programme, a student with a disability which may require special class and examination arrangements shall submit an application for such arrangements in writing to the Programme Leader, together with a certificate signed by a registered medical practitioner, or other relevant documents at the commencement of the programme. In terms of special examination arrangements, HKU SPACE may consider support and provisions for students with disabilities as appropriate, for example:

(a) provision of an accessible examination hall to students with disabilities;
(b) allowing longer examination time for students with visual impairment or writing difficulties; and
(c) the use of special aids.

However, there is no guarantee that such needs can be fully supported.

Application and Admission
申請及取錄

General and short courses

1. Admission is normally made on a first come, first served basis.
2. Having paid the course fee, students may assume that their applications have been accepted, and should attend the course as scheduled, unless they hear from us before the course starts.

Award-bearing and professional programmes

1. Admission is by selection (interview or entry test/examination). Entry requirements are specified in the course descriptions.
2. Applicants should note that simply meeting the minimum entrance requirements does not guarantee entry to a programme. Places are subject to availability and selection criteria, if any.
3. A small number of award-bearing programmes open their application directly for enrolment and payment on a first-come, first served basis. The final decision on entry is still subject to applicants' fulfillment of entrance requirements.
4. Successful applicants will be notified of the result as soon as possible after the closing date for application.
5. Unsuccessful applicants will be given a refund of course fees, if already paid.
6. For full-time programmes of the Community College, the entry requirements and the application procedures are specified in the College websites (https://www2.hkuspace.hku.hk/cc/admission).

Other information

1. Applicants are normally required to have reached the age of 18. Any applicants below the age of 18 (for example in the Community College and in Summer School programmes) who are admitted may be required to secure parental consent. 2. To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, or on a Permit for Proceeding to Hong Kong or Macao (also known as " One-way Permit"), or under any of the schemes indicated in paragraph (I) below, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants who are issued with a valid employment visa or training visa, or members of the Consular Corps, or foreign domestic helpers, or admitted under any of schemes listed in paragraph (II) below, also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements. Admission to an HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are not considered by the Immigration Department for student visa purposes except for self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU system through HKU SPACE.

Academic Policy Statement in Relation to Generative AI in Teaching and Learning

The policy of the School in relation to the use of artificial intelligence tools is as follows:

First of all, the passing off of work produced by AI as one's own without acknowledgement is regarded as plagiarism and will be penalised (please refer to the academic regulations in this context). This applies to all programmes.

Secondly, all curricula at HKQF Level 4 and above will include content on the proper and ethical use of AI which is important both from an educational perspective and from the perspective of potential future employers who will expect graduates to be familiar with the proper use and applications of AI.

Thirdly, in order to support students and teachers (full time and part time in both cases) the School will make available links and access to AI tools via the SOUL platform so that they can become familiar with their use in their work for the School.

Fourthly, in this context, it should be noted that these tools provided by the School should only be used for their academic work in the School and not for any other purposes.

Information for Students

Students should note that while their views will be taken into account, the School, in order to maintain academic integrity, reserves the final right of decision in academic matters, particularly in terms of the curriculum, assessment and management of teaching arrangements. The School also has expectations of student behaviour in its learning centres, such that students will act in a respectful and courteous manner in observing the School's regulations. For the Community College, the start dates and teaching venues of a course are announced via Student Notices on the Learner Portal.

有關在教與學使用生成式人工智能的學術政策聲明

學院使用人工智能工具的政策如下：

首先，學生在沒有鳴謝或注明出處的情況下，將人工智能生成的內容冒充為自己的作品將被視作抄襲行為，並將受到處分（請參考相關學術規例）。這適用於所有課程。

其次，所有資歷架構第四級或以上的課程將包括正確及合乎道德地使用人工智能的內容。不管從教育角度或潛在未來僱主角度來看，這點都非常重要，尤其後者更會期望畢業生熟悉人工智能的正確用途和應用。

第三，為支援全日制和兼讀制的學生及老師，學院將通過SOUL網上學習管理系統提供人工智能工具的連結及使用權限，以便他們在為學院工作時能夠熟悉這些工具的使用。

第四，在此情況下需要注意的是，學院所提供的人工智能工具只能應用於在校的學術工作，而不得用於任何其他目的。

教學語言

除非另行說明，課程手冊內用作介紹課程資料的語言將為該課程的授課語言，部分以英語授課的課程將以中文輔助教學，或部分以中文授課的課程將以英語輔助教學。一般情況下，資歷架構四級及以上的課程均用英語授課。若沒有特別說明，課程手冊內用以介紹課程的語言，將為該課程用以評核的語言。如有任何疑問，可向有關學科課程負責人查詢。

混合教學模式指引

學院已推出混合教學模式指引，目的為定義學銜課程中推行之面授教學和網上學習結合的混合教學模式。指引亦予各課程提供涵括進階網上學習之教學方針，從而豐富整體學習體驗。

Library facilities

HKU SPACE students with a HKU Libraries Borrower's Card/HKU Facilities Access Card are entitled to borrowing privileges as well as access to some web-based electronic library resources. The list of electronic resources available is constantly expanding as the School, in association with HKU Libraries, is continuously working to provide access to databases that serve the diverse needs of adult learners pursuing continuing education in a wide range of disciplines.

HKU Libraries Borrower's Cards and Reader's Cards are issued according to course requirements. Please consult the relevant programme staff.

Lifelong Learner Card

HKU SPACE issues a Lifelong Learner Card to every student and every member of the HKU SPACE ALUMNI. There is no expiry date on this Card as the School recognises that lifelong learners may return to active learning at any time and use the Card as a personal identifier in class or for e-registration.

Cardholders enjoy discounts and offers, subject to the current terms and conditions.

Please access the Alumni Website (https://alumni.hkuspace.hku.hk) for details. Upon admission, a HKU SPACE student will be required to submit a recent passport size colour photo for the issue of the Lifelong Learner Card. It is always advisable to bring the Card to class as it serves as a personal identifier. The alternative would be a valid programme fee receipt. Sometimes, it may be necessary for students to show their Hong Kong Identity Cards, for example, for access to classrooms located in commercial buildings after regular office hours.

Each full-time student of the Community College is issued with a Student Identity Card which gives the right to access to the College's facilities and services. After graduation, they will receive the Lifelong Learner Card.

General Matters
一般事項

Academic Freedom

As part of the University of Hong Kong, the School follows University Policies on Academic Freedom.

A working definition of academic freedom in the form of an institutional declaration is as follows:

1. "Academic freedom refers to the freedom of academic institutions, structures and individuals to study, teach, research and publish without being subject to undue interference, free of any authority or standard other than the rational methods by which truth is established. The notion of academic freedom reflects the belief that it enhances the pursuit, transmission and application of knowledge, and as such may be supported by society through the funding of academics and their institutions. Academic freedom embodies an acceptance of the need to encourage openness and flexibility in academic work, and of the accountability of academics to each other and to the norms of cooperative pursuit of knowledge."
2. A list of specific academic freedoms enjoyed by the University and its members with corresponding responsibilities can be found at https://www.hku.hk/about/policies_ reports/acad_freedom/acad.html

Civility in the Classroom

Equally important values are honesty, integrity, decency, dignity, tolerance, respect, civility and trust. The School's adherence to these values naturally means that the School rejects forms of behavior that are intolerant, abusive, bullying and violent.

In terms of promoting civility on the campus (which includes in this context all HKU SPACE campuses and learning centres), the School is committed to ensure that transgression of the basic notions of civility listed above are not permitted.

The first priority of the School is to provide a high quality, safe and stimulating learning environment for all our students, full-time and part-time. All students and teachers are asked to uphold this convention whilst in class so that all may give their uninterrupted attention to learning and thus ensure the smooth operation of the classroom environment so as to meet the learning objectives. Education is for all in a spirit of toleration and respect for each other.

學術自由

作為香港大學的一員，學院嚴格遵循港大的學術自由政策。

按院校宣言，學術自由定義如下：

1. 「學術自由指學術機構、架構和個人學習、教學、研究及出版的自由，不受任何權威或標準干預，並循理性方式建立真理。學術自由增強對知識的追求、傳播及應用，故獲得社會支持，包括學術界及其機構的資助。學術自由鼓勵開放和靈活的學術工作，亦促進了學者之間及合力追求知識時的問責。」
2. 大學及其成員可享有一系列學術自由，並負上相關責任，詳情請參閱 https://www.hku.hk/about/policies_ reports/acad_freedom/acad.html（只提供英文版本）。

課室禮儀

我們相信，誠實、正直、體面、尊嚴、包容、尊重、禮儀和信任同樣重要。學院恪守以上文明價值，絕不認同不容異說、侮辱性、欺凌及暴力行為。

我們致力在學院（包括香港大學專業進修學院轄下所有校園及教學中心）內推廣禮儀，並確保以上文明價值不受侵犯。

學院的首要任務是為所有全日制及兼讀制學生提供一個高質素、安全及具啟發性的學習環境。在課室內，所有學生及教師均應堅守準則、專注學習，以確保課堂得以順利進行並有效達至學習目標。我們本著尊重與包容的精神，為社會上不同人士提供教育服務。

General Matters
一般事項

Discretion and discipline

- The School has discretion over admission of students to any of its programmes.
- A teacher may exclude from a class any student whose behaviour causes a disturbance to the rest of the class.
- The Director has the authority for HKU SPACE in matters of a disciplinary nature such as the conduct of examinations, plagiarism and unacceptable behaviour in class.

Classroom conduct

- Unauthorised reservation of seats is not permitted.
- Eating or drinking is not allowed.
- All mobile phones and pagers are to be turned off.
- Smoking is prohibited at all HKU SPACE learning centres and the University campus.
- No video/audio recording is allowed, except with the permission of the Programme Director/Manager, and is subject to any conditions stipulated when such permission is granted.
- Personal belongings should not be left unattended.

Requests for Checking of Examination and Assessment Results

In accordance with University policy, there is no appeal against the results of examination and any other written form of assessment which contributes to 50% or more of the overall result. Nevertheless, if student queries on their results are received, Programme Staff will check, on such request, to ensure that there are no "mechanical" errors, i.e. that the arithmetic is correct, that all pages have been marked and included, etc. Any student request for checking must be made within one month of publication of results and a charge (currently HK$200) will be imposed, while the Community College requires students to make application within 7 days from the release date of the results with a charge of HK$500. For part-time programmes, the fee will be refunded if a change is made in the final grade to rectify an error identified in the re-checking, otherwise the fee is non-refundable. For the Community College, the fee will be refunded only if there is an upward change in the final grade. Students will be informed of the result of the check within three weeks of the request. Different policies may apply on programmes which are conducted in collaboration with overseas academic institutions. For the Community College there are some courses in collaboration with HKU where different arrangements may apply.

Such checking is not and does not entail academic re-assessment of the materials or coursework presented by the students. In other words, appeal against the academic judgement of the examiners will not be entertained.

Plagiarism

As with all academic institutions the School penalises plagiarism – the passing off of work by others as a student's own without acknowledgement/referencing. This is especially the case with the development of Generative AI such as ChatGPT. Following University policy, AI will be included in curricula and students will be instructed on its proper and ethical use. However, those found using AI without referencing and passing off AI generated material as their own will be penalised as this is a form of plagiarism.

Statement of Attendance/Achievement

If a programme does not carry a formal academic award, the School will issue a Statement of Attendance within three months of the end of the course to participants achieving 70% class attendance.

A Statement of Achievement will be issued to a participant who has completed a non-award bearing programme with an assessment component and achieved a passing grade.

A replacement copy of the Statement of Attendance/Achievement can be issued upon request. An applicant should send a stamped self-addressed envelope and a crossed cheque of HK$30 made payable to "HKU SPACE" to the School. The School is not responsible for any lost correspondence in the post.

Transcripts

Students may request a transcript after completion of a programme carrying a formal award. A non-refundable application fee is required. Please approach the relevant programme staff. Different policies may apply on non-local programmes which are conducted in collaboration with overseas academic institutions.

Replacement of award certificates

The School Academic Award Certificate is a unique document. In accordance with University policy and under normal circumstances, no duplicate will be issued. In case of the loss of or damage to an original certificate, or when there is a legal name change, please refer to the "Regulations Governing the Issue of Replacement Award Certificates" obtainable from any HKU SPACE Learning Centre for the relevant procedures. For the Community College, students can refer to the application form "Application for Replacement of Certificate" which is available at the College Office. A replacement fee is required for each certificate. Different policies may apply on non-local programmes which are conducted in collaboration with overseas academic institutions.

最終決定與紀律處分

- 學員能否入讀所選科目，學院有最終決定權。
- 若任何學員於堂上擾亂秩序以致影響其他學員，導師有權要求該學員離開。
- 學員如違反紀律，如考試作弊、抄襲、或在課堂上作出過份行為，院長有權懲處。

課室守則

- 未經授權，不可預留座位。
- 課室內不准飲食。
- 上課時必須關掉手提電話及傳呼機。
- 學校及大學範圍內嚴禁吸煙。
- 除非已獲有關課程主任或助理課程主任批准，否則學員不得於課堂時錄音或錄影；即使已獲批准，亦須依循學院的要求進行。
- 小心看管個人財物。

申請覆核考試成績及其他評核結果

根據大學政策，學院不設機制處理對考試和其他任何佔總成績50%或以上的書面形式的評核結果提出的上訴。如考生對自己的成績有所懷疑，可要求課程職員覆核分數，確保沒有「計算上」的錯誤（即計算準確，答卷所有頁數皆已評分）。考生須於考試成績公布後一個月內要求學院覆核分數，並繳交覆核費用（現為港幣200元正）。附屬學院則要求考生於成績公布後七天內提出有關要求，覆核費用為港幣 500 元正。如發現分數計算有誤，影響兼讀制課程考生的最終評核等級，費用將退還給考生，否則所繳費用概不退還。至於附屬學院的覆核費用之退還，只適用於覆核後考生的最終評核等級獲提升的情況。考生將於申請後三星期內獲通知有關覆核結果。與海外學術機構合辦之課程的相關政策或略有不同，而附屬學院與香港大學本部合辦之課程亦可能有不同安排。

此覆核不代表學員的答卷或其他所提交的習作會得到重新評核。換言之，對於考試主任的學術判斷所提出的上訴，學院一概不會受理。

抄襲

與所有學術機構一樣，學院對抄襲行為予以懲罰。抄襲行為是指學生在沒有鳴謝或注明出處的情況下，將他人的文章冒充為自己的作品。隨着生成式人工智能如ChatGPT的發展，這情況尤其明顯。根據香港大學政策，人工智能將被納入課程之中，並將指導學生如何正確及合乎道德地使用人工智能。然而，學生被發現使用人工智能而沒有注明出處，並將人工智能生成的內容冒充為自己的作品，將被視作抄襲行為而受到處分。

修讀證明書／結業證明書

學院將在非學歷資格課程完結後三個月內，發出修讀證明書予出席率達百分之七十或以上的學員。

如學員完成設有考核機制的非學歷資格課程並取得合格成績，將獲發結業證明書。

學院可按要求發出修讀證明書/結業證明書副本。申請人可將已付郵費的回郵信封連同港幣元的劃線支票（抬頭註明「香港大學專業進修學院」）寄回。如有郵遞失誤，學院概不負責。

學歷成績單

學員如修畢學歷資格課程，可向學院申請學歷成績單。有關申請費用不獲退還，詳情可與有關課程負責人聯絡。至於與海外學術機構合辦的非本地課程，則可能有不同的個別安排。

補發學歷證明書

學歷證明書為重要文件，根據大學政策，除非正本遺失、損壞或姓名已作合法更改，否則在一般情況下不會發出副本。有關手續請於教學中心索取「補發學歷證書條款」作參考。此外，附屬學院學員可向附屬學院辦公室另行索取「申請補發證書」表格。補發每份證書需付費用。此外，與海外學術機構合辦的非本地課程則按個別學術機構安排，申請手續亦可能有分別。

Feedback

Feedback from students is highly valued and plays an important role in monitoring, improving and enhancing the quality of the programmes and services offered by the School, so we hope that students will fulfil their responsibility to provide honest and unbiased feedback. If students would like to convey immediate feedback about our programmes or services, the first point of contact should be the Programme Leader of the respective programme. There are other formal mechanisms for students to channel their feedback to the School, including student surveys, student representation in Academic Committees and the programme review process. Students are also welcome to complete the "Online Feedback Form for Students", which will be handled by relevant staff, and a reply will be made as soon as possible. All cases are handled in strict confidence and will not affect students' assessment results in any way.

Student Surveys

The "Learning Experience Survey (LES)" is conducted near the end of each course of an award-bearing programme. Students are invited to complete standard online questionnaires on the quality of courses and of teaching. The "Survey on Support Services (SSS)" is a tool used once a year to collect focused feedback on student experience with the teaching and learning support services provided in the School learning centres at the primary location used for their programmes.

Please scan this QR code to access the survey link for LES and SSS, and use your student email to pass the authentication.

For details, please refer to the Frequently Asked Questions.

The "Programme Learning Outcomes Survey (PLOS)" is to assess from the graduating student perspective their achievement of Programme Intended Learning Outcomes.

意見反映

學院一向注重與學員的溝通，從而監察、改善和提升課程及服務的質素，希望學員亦可履行其責任向本院提供誠實公正的意見。學員如對課程或服務有任何即時意見，可先向其課程統籌主任反映。此外，學院亦有其他正式的機制讓學員向本院表達意見，包括學員意見調查，以及在學術委員會和課程檢討過程中的學員代表。學院亦歡迎學員利用學院網頁內的「學員網上意見表格」。意見會由相關職員處理，並盡快回覆。所有個案將保密處理，絕不會因此影響學員的成績評核。

學員意見調查

「學習體驗調查（LES）」在個別學銜頒授課程之科目（即學科單元）將近完結時進行，邀請學員就科目及教學質素填寫網上問卷。「支援服務調查（SSS）」每年邀請學員就課程的主要教學中心提供教學支援服務的意見。

請掃描此二維碼（QR code）進入學習體驗調查及支援服務調查網上問卷，並以您的學員電郵通過身分驗證。

詳情請參閱常見問題（只提供英文版）。

「課程學習成果調查（PLOS）」邀請準畢業生對達成課程的預期學習成果提供意見。

Executives of financial service providers feel increasingly commoditised as clients view themselves and their competitors as much the same. Their win rate in bidding request for proposals (RFP) may be on the decrease. One of the best ways to win RFP is to make sure they understand how and why their clients determine one competitor over another and how outstanding providers align and win the RPF without competing on fees only. How to accelerate the message of service providers with difference, preference and proof is important in winning RFP in financial services.

This Masters Programme acknowledges that we are living in a fast-changing, globalised world, which presents a great number of opportunities and challenges for cultural innovation. It takes these changing conditions as a starting point to engage you in developing new knowledge and skills in order to manage cultural projects in the UK and around the world. It has been developed specifically in response to an increasing need for multi-skilled individuals who can both generate the ideas for original arts and cultural events, as well as provide leadership for the teams that realise them. These individuals will be dynamic, responsive, and fluent in public and private sectors, and have the ability to collaborate and develop networks.

R The standard entry requirements for this course are as follows:
- An honours degree from disciplines such as fine art or design, the humanities, social sciences, politics or economics, or other areas of creative practice such as performance
- OR an equivalent EU/international qualification
  AND a minimum of two years of work experience in the arts, design, performance or creative business management and administration sectors. The course will not recruit from end-on students (i.e. those progressing directly from undergraduate degrees).

2910 7604 / 3762 0061　exe.cad@hkuspace.hku.hk

死亡，是中國人之忌諱，而忌諱往往源於對現象本身的不解。殯葬（funeral rites）是一門博大精深的學問，每一項看似高深莫測的儀式，其實都根植於地域文化意義；而殯葬之所以神秘，是因為基於社會對死亡的恐懼，很多與之相關的人事物都隱藏於大眾的視線之外。
本課程由業內資深人士執教，深入淺出講解殯葬文化，透過接觸業內不同崗位的工作者及到訪與死亡有關的不同場所，包括百年壽衣老店、墓園、義莊等親身考察，以生死教育（Life and Death Education）教學方法為本，從專業角度去介紹殯葬文化，啟發學員正視對死亡的恐懼。

放下工作，放鬆心情，放低成見，遂反回童年的繪畫世界，隨心隨性在瓦通紙上「碌」出自己的意念。憑直覺著色，不計較比例、透視、像真，純粹用圖像講自己故事。過程充滿實驗性，翻來覆去，試完再試，直至心滿意足為止。完成後，不用框裱，以最簡單方法掛在牆上，供親友欣賞，「一啲都唔失禮」。

The success of an organisation is highly dependent on its people. Yet there is no "one-size fit all" strategy for managing people. This is because each person is an individual, with a distinctive personality that influences the way one thinks and acts.
This programme aims to equip students with the fundamentals of an individual's psychology (personality, learning, perception & memory) and examines why behaviours often change in group settings. It also discusses factors that may affect an organisation – power, politics, ethics, conflicts and organisational culture, as well as the psychological impact of change on employees and the importance of managing such change in an organisation.

Stylistic Analysis: Insight into the Subtle Delivery of Meaning

Programme Code: GENG9125

This course aims to give students a working understanding of stylistics so that they may employ stylistic techniques in their own work.
Stylistic analysis is the identification and description of style features in written (and spoken) language to explain how such stylistic features evoke particular feelings and responses, intended by the author, in the mind of the reader (or listener). The discipline relates linguistic facts (linguistic description) to meaning (interpretation) in as objective and explicit a way as possible, given that some stylistic techniques can be indirect and have a subliminal effect. In short, we aim to understand how skilled authors subtly influence the delivery of meaning.

Exploring Literature Series

HKU SPACE offers a series of short English literature courses. These courses are open to all who are interested in English literature or literary studies.

For students who are preparing themselves for internationally-recognised programmes in English / English literature, participation in these short courses offers them exposures to the aesthetics of literature, nurtures their literary sentiment, and stimulates their criticism on literary works and other genres.

A series of short literary courses which are open to all but they will be of particular interest to part-time students who need more exposure and input to English Literature.

Reading Drama
Programme Code: ELIT9089

From classical Greek drama to contemporary theatre, the stage has always been an integral part of the human experience. The course looks at selective moments in the history of drama in which certain playwrights benefited fully from the history of the genre and yet departed so radically from that history. Exploring the content as well as the form of their dramatic works provides key insights into some of the most important societal and cultural issues of both past and present.

R Applicants should have a good reading knowledge of English, a willingness to participate in discussion and, above all, an interest in literature.

$ HK$3,800 D 7 weeks

Reading Short Stories
Programme Code: ELIT9100

This course explores the idea of storytelling through reading the works of some of the short story's most prominent writers. It deals with fundamental questions like: Why do people need to tell, read, write and listen to fictional stories? By examining the aesthetics as well as the politics of storytelling, the course aims at shedding some light on the different themes generated by narration and revealing the void that lies beneath man's sense of identity.

R Applicants should have a good reading knowledge of English, a willingness to participate in discussion and, above all, an interest in literature.

Representations of Ethnicity
Programme Code: ELIT9038

Investigating the links between media, society and culture, it falls into the following main themes: Silencing the Asiatic, the White/Black division, the Caribbean subaltern, the Arab and Muslim others, and the symbolic American other. Exploring forms, practices, and politics of representation, we will discuss the importance, as well as the futility, of representational ethnic struggles.

R Applicants should have a good reading knowledge of English, a willingness to participate in discussion and, above all, an interest in literature.

The aim of this course is to introduce students to the Bible as a literary work, as well as a collection of books written in different genres. 學院的 8 年制日語常規課程一直致力加強學生的聽、講、寫、讀四種能力。但因香港環境之限制，學生較少有會話的機會。故此，學院會將日語會話課程重新編寫，以“日本國際交流基金會”設定的 JF 標準，採用《Marugoto 日本的語言和文化》教材系列，通過每項“Can-do”學習目標，訓練語言溝通及跨文化理解兩大能力，藉此了解多元的日本文化。
JF 標準與 CEFR（歐洲語言共同參考框架）一致，分為 A1 至 C2 六個級別。課程特色是以『用日語能達成什麼目的』作為分級指標。學習目標以 JF 標準中的“Can-do”設定，從而制定出以實際交流為學習目的的學習進程。

香港大學專業進修學院保良局何鴻燊社區書院

The HKU SPACE Po Leung Kuk Stanley Ho Community College (HPSHCC) was established in 2005, under a Joint Venture Agreement between the HKU School of Professional and Continuing Education (HKU SPACE) and Po Leung Kuk (PLK), with the aim of providing high quality tertiary education opportunities. The College has received a donation from deceased businessman and philanthropist Dr. Stanley Ho, to support its teaching and learning activities, and the whole person development of our students. In appreciation of Dr. Ho's contribution and generosity, the College has been officially renamed as "HKU SPACE Po Leung Kuk Stanley Ho Community College (HPSHCC)" in 2015.

Riding on the proven success and accomplishments in the past years, the College achieved a milestone in 2021 in developing as an awarding body of academic qualifications at the sub-degree level. HPSHCC currently offers 19 sub-degree programmes of multiple disciplines leading to awards within The University of Hong Kong system through HKU SPACE or awards of HPSHCC. The programmes cover a range of areas to cater for the diverse interests of young people. They aim to equip them with the necessary skills and knowledge for their academic and career advancement. Since its establishment, the College has over 17,500 graduates. It has provided platform for articulation to undergraduate studies with over 70% progression in recent years.

在2005年，香港大學專業進修學院(HKU SPACE)與保良局合辦香港大學專業進修學院保良局何鴻燊社區書院(HPSHCC)，致力提供優質的專上教育。成立至今，書院已發展為廣獲認受的社區書院，為中學畢業生提供優秀的副學位課程，提升學生學術水平。

HKU SPACE has had close cooperation with the University of London for over 60 years. For the past 35 years, HKU SPACE has acted as the University of London (Admissions Office) in Hong Kong. This provides a one-stop service for application and registration, and for admitting undergraduate students directly to the University of London programmes when candidates fulfil the stated entrance requirements. This service is provided to all applicants whether or not they are HKU SPACE students.

Quality and Standards

Academic direction is provided by the world-class federation members of the University of London. These federation members include:

- UCL
- King's College London
- London School of Economics and Political Science (LSE)
- Queen Mary, University of London
- Birkbeck, University of London
- Royal Holloway, University of London
- SOAS
- Goldsmiths, University of London

The federation members develop the syllabuses, prepare the study materials and are responsible for the assessment of students. This means that students benefit from the academic rigour and leading-edge research undertaken by the federation member. It also ensures that the standard of award made to all students is maintained at the same level as the standard of award made to students studying physically at one of the federation members of the University of London.

Awards

On successfully satisfying all the examiners' requirements, students are awarded a University of London degree. The final diploma they receive shows they were registered with the University of London and awarded a University of London degree. It also gives the name of the federation member that conducted the examinations.

With the motto of "We Learn to Serve", HKU SPACE ALUMNI was inaugurated on 27 June 2004. It is dedicated to the building of active and lifelong relationships amongst alumni members and between the School and the ALUMNI, whilst contributing to the promotion of adult education and lifestyle enrichment for the whole community.

Membership and registration

There are two types of membership:

- Free for Ordinary Membership

They can apply for life membership to enjoy extra exclusive alumni services and benefits. Staff and past students of HKU SPACE are also welcome to join the ALUMNI as ordinary or life members. The ALUMNI organizes talks, networking activities and events for alumni regularly. For member registration and details on services and benefits, please visit the ALUMNI website at http://alumni.hkuspace.hku.hk.

If you're an alumnus of HKU SPACE, we want to hear from you! Whether you graduated recently or years ago, we invite you to reconnect with us and join our vibrant alumni community. You will also have access to Career SPACE resources and job postings.

HKU SPACE Foundation

In order to increase the support to HKU SPACE full-time students who are in financial needs, the "HKU SPACE Scholarship and Bursary Fund" was set up. The Fund aims to relieve the financial pressure of our full-time students. With the support of the Fund, students can fully focus on studying to pursue their study goals, regain their confidence, excel in academic achievement and eventually articulate back to University.

Through the first two years of University-mode elementary undergraduate education offered by the Community College, students who missed out on articulation will be well equipped for a brighter future.

Your donations could make a difference

HKU SPACE is a completely self-financing institution and does not receive subsidies from the government. Out of the 8,900 full-time sub-degree students at our school in 2023/24, around 3,200 students required government financial assistance, out of which 507 are from families receiving Comprehensive Social Security Assistance.

Many a mickle makes a muckle. Every dollar you give will make a difference to the development of the well-being of our younger generation.

Ways to make a difference

Support from corporations and individuals are both welcome. For information about how you can help, please contact the Institutional Advancement Unit at 2910 7680 or email foundation@hkuspace.hku.hk
